Long Beach Hosts Warriors In Crucial Water Polo Test

Facing what may prove to be their most crucial match of the season, El Camino College water poloists will meet Long Beach City College tomorrow at LBCC. Long Beach and Cerritos are currently battling for the number one position in the Metropolitan Conference with ECC a close step behind.

The Warriors lost their first match of the year to Cerritos in a contest that went into double overtime. Final score was 17-12.

scoring attack when accompanied by Westerman, Benfield and veteran finman, Cappy Sheeley.

THE LARGEST problem facing the Warriors this season is lack of depth on the bench. With the addition of some outstanding freshmen, Kroon has an exceptionally strong first squad but little in the way of reserve strength.

"The problem is to keep the top players in the match. The loss of Corcoran and Benfield through fouls was the deciding factor in the Cerritos contest," coach Kroon said.

EL CAMINO came back the following week to defeat Santa Monica City College, 21-10, to remain a contender for the conference's top spot. Coach Rudy Kroon's squad will be playing the Long Beach team for the first time in conference competition, although it downed the Vikings 1-10 in the Southern California Invitational in pre-season action.

LEADING THE attack for the Warriors will be three freshmen standouts.

Mike Corcoran and Ken Benfield from El Segundo and Jim Westerman from Inglewood constitute the first year triple-threat for the Warriors.

Narbonne Draws Loop Darkhorse

Marine League darkhorse Jordan will offer Narbonne High its first taste of circuit pigskin competition tomorrow at 3 p.m. on the Gaucho turf.

Still unable to capture an elusive first victory, Narbonne will attempt to end a two-game losing streak. The Gauchos picked up a 6-6 tie with Washington in the opening game of the season and have since fallen to Huntington Park and Bell.

Last week, coach Elmer Douglas' crew played give away as it dropped a 20-0 decision to Bell. Four times Gaucho passes were picked off and Narbonne lost the pigskin three times on fumbles.

Bell took over the ball on Narbonne fumbles twice within the Gauchos 20-yard line and scored both times.

Jordan is ranked by Douglas just one step behind unbeaten Gardena in the Marine League title chase. The Panthers have only a win over San Marcos to their credit, but held Southern League power Manual Arts, the defending City champ, to a 14-0 win.

Despite its lack of wins, Narbonne has received top performances from linemen Ben Bump and Glen Yates. Halfback Lloyd Edwards and fullback Al Thompson have also been impressive.

Seahawks Will Open At Pierce

With the preliminaries finally out of the way, Harbor College will open its Western State Conference grid campaign Saturday night against Pierce College in Woodland Hills.

While the other conference teams were playing first round games last weekend, Harbor got in one last practice tilt, a 25-0 win against the Los Angeles State College junior varsity.

Quarterback Ray Jones supplied the fireworks, scoring on a nine-yard run and on an 82-yard pass interception. Ben DalBennas tallied on a 23-yard gallop and Charles Shaw hit paydirt on a one yard plunge for the Hawks.

Los Angeles reached the Seahawk's one-yard stripe at one stage of the game but could not push across. Pierce finished second in the conference last year, but is not rated highly this time around. The Brahmas wound up with a 19-19 time with Compton in their first circuit contest.

Speed is the main Pierce strength as 9.6 sprinter Cliff Fenor teams with 9.7 dash ace Ray Toms, a second string all-conference pick last year.

Mangiagli announced the selection of managers will take place late in October.
